

# IC3E 2026

2026 9<sup>th</sup> International Conference on  
Environmental and Energy Engineering  
Changsha, China | April 24 -26, 2026

## Publication & Indexing

Choice 1: The authors can submit their papers to **Journal of Environmental Informatics Letters** which is a Scopus-indexed, open access journal published by the International Society for Environmental Informatics. No publication fee (APC) will be charged.

Choice 2: The authors can also submit their papers to the International Journal of **Global Environmental Issues**. There is no charge for publishing in this journal, unless you choose the option of Open Access (OA) with an Article Processing Charge (APC). You can find more details from information on OA on the website: <https://www.inderscience.com/mobile/inauthors/index.php?pid=75>

Choice 3: The authors can also submit their papers to the Special Issue on **Grid Integration of Intermittent Renewable Energy Resources: Technologies, Policies, and Operational Strategies**, and the publisher will submit articles to be indexed by EI Compendex, Scopus and other data bases.

## CFP Topics

### Energy and Environment:

- Ecology and Biodiversity Conservation
- Environmental Pollution & Management
- Environmental Hydraulics
- Sustainable Development

Submission Deadline:  
**Mar. 20, 2026**

## IC3E 2026 Committee

### Honorary Chair

Gordon Huang, International Society for Environmental Information Science

### Conference Chairs

Yongping Li, Beijing Normal University, China  
Zheng Xiao, Hunan University, China

### Organizing Committee

Zhenfang Liu, Hunan University, China (Co-Chair)  
Lu Xiao, Hunan University, China (Co-Chair)  
Tian Chai, Xiamen University of Technology, China  
Zhihang Lei, Hunan University, China  
Yanfeng Li, Beijing Normal University, China  
Jing Liu, Xiamen University of Technology, China  
Zhenyu Nie, Hunan University, China  
Feng Wang, Beijing Normal University, China  
Aili Yang, Xiamen University of Technology, China  
Xiong Zhou, Beijing Normal University, China

### International Program Committee

Guangwei Huang, Sophia University, Japan (Co-Chair)  
Wendy Huang, University of Calgary, Canada (Co-Chair)  
Brian W. Baetz, McMaster University, Canada  
Valentina Busini, Politecnico di Milano, Italy  
Yanpeng Cai, Guangdong University of Technology, China  
Changping Chen, Quanzhou Normal University, China  
Lianrong Chen, VanCity, Canada  
Guanhui Cheng, Guangdong University of Technology, China  
George Christakos, San Diego State University, USA  
Xiaowen Ding, North China Electric Power University, China  
Thomas Donnelly, University of Newcastle, Australia  
Liang Fang, Jiangping Biosubstrate, China  
Haiyan Fu, Xiamen University of Technology, China  
Oliver Günther, University of Potsdam, Germany  
Charley Huang, University of Alberta, Canada  
Qiang Huang, Xi'an University of Technology, China  
Shengzhi Huang, NC University of Water Resources & Electric Power, China  
Yuefei Huang, Tsinghua University, China  
Ling Ji, Beijing University of Technology, China  
Younggy Kim, McMaster University, Canada  
Qianguo Lin, Shanghai Jiaotong University, China  
Edward McBean, University of Guelph, Canada  
Shuang Nie, University of Regina, Canada  
Jeffrey Romm, University of California at Berkeley, USA  
Zhenyao Shen, Beijing Normal University, China  
William Sonzogno, University of Wisconsin-Madison, USA  
Masoud Taghavi, Chung-Ang University, South Korea  
Qian Tan, Guangdong University of Technology, China  
Lin Tang, Hunan University, China  
Caterina Valeo, University of Victoria, Canada  
Lidong Wang, North China Electric Power University, China  
Shuguang Wang, Shandong University, China  
Jia Wei, Beijing University of Technology, China  
Yulei Xie, Guangdong University of Technology, China  
Julian Yeomans, York University, Canada  
Guangming Zeng, Hunan University, China  
Hongbo Zeng, University of Alberta, Canada  
Mengyu Zhai, Beijing University of Technology, China  
Ning Zhang, CICETE, China  
Peng Zhang, University of Regina, Canada  
Weidong Zhang, United Nations Development Programme, USA  
Shan Zhao, Shandong University, China
